REQUEST FOR REVIEW OF PATENT TERM ADJUSTMENT

MAIL STOP PATENT EXT.
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It has come to our attention that there may be an error in the patent term adjustment calculated by the U.S. Patent and Trademark Office for the above-referenced patent application. Specifically, the patent term adjustment pursuant to 35 U.S.C. 154(b) of 646 days indicated on the ISSUE NOTIFICATION - Determination of Patent Term Adjustment under 35 U.S.C. 154(b) mailed on December 13, 2006 may extend the term of this patent by too many days. In

particular, it is believe that the delay calculated by the Patent Office as being caused by the Applicants is 93 days too small. It is believed that the Patent Office failed to calculate the 93 days of delay caused by Applicants' late filing of his Response to the Notice of Missing Parts filed on July 11, 2001. Please review the calculation of the patent term adjustment and make corrections, if necessary.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "John C. Freeman", is written over a horizontal line.
